

Workshop on How to Prepare for Industry Jobs with a Degree in Physics or Astronomy

The Physics & Astronomy Department is hosting its 3rd Industry Workshop. Alumni from across the country and with a wide range of industry experience will be joining us to provide a wealth of information and to lead discussions regarding the transition into careers in industry. Please fill out this form to register by September 8th.

The workshop will include:

- ◆ Panel Discussions
- ◆ Interview Skills
- ◆ Q&A
- ◆ Specialized Industry Insight
- ◆ CVs & Resumes Input
- ◆ How to Market Yourself

Saturday September 17, 2022
